

Move-in Cleaning Checklist

Kitchen

1. Disinfect all appliances inside out - stove, oven, microwave, fridge, dishwasher, etc.;
2. Clean cabinets and drawers;
3. Wipe light fixtures, light switches, handles and other high-touch points;
4. Disinfect the sinks, taps and countertops;
5. Vacuum everywhere, especially behind and under appliances;
6. Mop the floor.

Bathroom

1. Change/disinfect toilet seat;
2. Disinfect the toilet bowl, sink, tap, shower and tub;
3. Wipe cabinets and mirror;
4. Check for mould and clean it in full;
5. Scrub tiles and grout to remove grime, then rinse well;
6. Check and clean air vents, if necessary;
7. Mop and let dry.

Living room

1. Wash window glass, sill and tracks;
2. Vacuum/steam clean carpets and upholstered furniture;
3. Wipe all hard-to-reach places - behind and under furniture, door frames, shelves, etc.;
4. Disinfect door handles and light switches;
5. Dust light fixtures and baseboards.

Bedroom

1. Vacuum/steam clean carpets;
2. Clean under the bed and behind furniture;
3. Wipe inside drawers and wardrobe;
4. Wash window glass, sill and tracks;
5. Disinfect all surfaces;
6. Dust light fixtures and baseboards.
